PRESIDENT'S MESSAGE:

It's such a shame the 13-19yrs All Schools State Championships for 2021 has been cancelled due to Covid-19 restrictions. Queensland Athletics have added extra events to cover the All Schools missing out. Check out their website and FB pages for further information.

I understand how everyone has been training hard and looking forward to competition, so put in your little book that **North Queensland Track & Field Championships** are scheduled for 24th – 26th September, entries are now open, but close 11th September 2021.

Well done to all the Coaches, Brad, Mick, Mark, Ted, Darin, Theresa (Marty) and Shaun.

The new season events start in October and we have to register on-line. The season runs from 1st October 2021 to 30th September 2022. Reregistering is not open yet but will be soon, affiliation with QA has been completed. **A table of membership options will be available soon.**

Please register online at Queensland Athletics website.

Our Current Treasurer **Narelle Crowley** (who has done a marvelous job with her innovative ideas and ways to ensure the Club ran smoothly) has resigned, but through social media we have a member **Jo Compson** step up to hold the fort until the next AGM. Thank you for your support.

Answer to the Question

The winner of the **July** question was **Richelle Nicholls**

The correct answer was: **"A Rose"**

A new question is as follows:

It is well known that there are seven months with 31 days –

January, March, May, July, August, October and December.

February is always the shortest month, with only 28 days (or 29 days in a leap year).

However, it is a little known fact that one month of the year is always longer than the others.

Which month is it?

The **2nd** club member to reply by email with the correct answer wins a prize.
